

Heroes who Lived in Warren and Center Line Michigan

Those who served in the cause of safeguarding our freedoms during any war or time in any capacity.

This is listed as such because of difficulties of getting names and exact dates. Some served as civilians but were in greater danger than on battlefield and some of these were killed by the enemy and some mistakenly by our own forces. In my military intelligence I heard about spys and informants and their families who were butchered by the enemy and who will never be given medals or the praise they deserve. We owe many unknown and forgotten heroes our gratitude because they gave their lives for our freedom.

Abbreviations scc St Clement Cemetery,

THIS LIST STILL NEEDS NAMES OF THOSE WHO SERVED.

Please send names I missed to profwa@gmail.com

Many are now unknown and forgotten by time. Those will not be listed here except by this first entry.

To the many who gave their all so we may be free, we give you our highest honor and gratitude.

Thank you. We honor your sacrifice. Sorry if history did not give us your names to list here.
