

Old Families names starting with T

Rev 2016 Dec 31

How long is a generation? Of course that varies with culture from 15-35 years. Male generations are longer usually around 30 years female generations shorter between low and high twenties averaging about 28 years. Another factor is how many children a family has. This varies between 0-16. In pre industrial ages the averages of male and female generations is 15-20 years but in the modern age it averages in the low thirties. So there is no absolute number. In this family tree the average is about 30 years. Mankind like ourselves have been on Earth about 50,000-200,000 years. If we count 25 years for the primitive ages and 30 years in the modern age (since 1800) that is around 2,000-8,000 generations. The actual count of male generations after the oldest in our line we can name starting at generation 8,000 and up to the present is 2,054-8,054 generations of human ancestors. All this just to get a perspective of where we are. In other words we only have around 53 generations that we have names for our ancestors. That is better than most families who can only name five generations. But if mankind doesn't stop the terrorists using nuclear weapons, the present generation may be the last generation of humans on this beautiful planet, which cockroaches and machines will inherit.

When one looks at our family history over the over 2,000-8,000 generations we see that we are all related to almost everyone else. Scientific thought, finding out the actual truth, facts and knowledge, has given us far more than superstition or religion. As Jesus said "The Truth will set you Free." The most import thing we see when looking at our history is that we must be prepared to survive attacks from other humans which still plague our world even now and that we should also train our selves and our children to be Thinking, Loving, Caring, Kind Human beings. After all **Humans should be Humane**. We need to **insist on the Golden Rule as a code of conduct as the expectation for all humans**, that **We must do to others only what we would want done to ourselves**. And the **Silver rule of Don't do to others what you would not want done to yourself**.

Bring no harm to another by your actions or inaction. We need to create a world of peace where everyone can reach their best potential. Those who would do us harm must be suppressed or banished to remote Pacific Island where they can kill each other off. And we can create a force of police robots to deal with those who would violate the peace. We must also keep control of the police robots and not make them totally autonomous lest they become the masters.

Mathias Miller and his wife Elizabeth operated a saloon in their homestead around the turn of the century. The photo on the left appears to pre-date the one on the right by a few years. The "Tivoli Beer" sign on the porch column in the left photo indicates that this picture was taken after the founding of that brewery in 1898. The Tivoli Brewing Company was located on Mack Ave. in Detroit and later produced the "Altes" brand of beer. Center Line had its own brewery for a brief period during the 1930s after the repeal of Prohibition. The Walker Brewing Co. built their brewery at Alex Ave. & Ten Mile Rd. Today that building houses the ABC Appliance Warehouse Store.

This is my wifes great grandfathers home, Matthias, was hoping you may have more information or more pictures, my mother in law has the photo of the house on the left, we have never seen the photo on the right which is just a different angle of the same home.

Good Evening, my wife's great grandfather started Tivoli Tavern(beer) in 1898, I found information on the centerline website with two photos of her greatgrandfathers tavern, they also lived upstairs from the tavern. I am trying to locate the two photos listed plus any other photos or information. Could you be of any assistance. Rick Craze 586-713-6276(cell)

Here is what many soldiers died for and what our flag stands for. This is our American Way of Life. Most young people today do not even know this. What a shame. That is why I post it here in several places in my history books.

**We Support The American Way of Life which promotes:
Life, Liberty, Justice and the pursuit of Happiness for all
through individual Responsibility and Integrity.**

**With rule of law under our U.S. Constitution.
With each person supporting themselves, family and
their community to best of their ability.**

**Promotes: use of scientific knowledge, research and
discussion for solving problems rather than violence.**

**Promotes: Love, Kindness, consideration for all with
the expectation and code of conduct that
No one should bring harm to another by their actions
or inaction**

**and Actions should be based on Factual Truth,
not hearsay or uneducated opinion from obsolete past?**

Does it pass the test of Truth based on all of the facts?

Is it how you would want to be treated?

Humans should be Humane.
