**This should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished, we could have a wonderful world.**

FREEDOM OF SPEECH AND MEDIA SAFEGUARD FREEDOM.

Our Constitution and Universal Declaration of Human Rights gives us many Freedoms. Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans all of which gave some and many gave all remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, etc.

And there are the greedy 1% who have excessive wealth yet won't pay the 99% a living wage. And many corporations make big profits but pay very little taxes. But the wealthy and corporations need to pay living wages to workers. In America we have the resources to provide everyone with adequate good food, clothing, shelter, affordable housing, medical care, education, training for jobs, and employment.

At this time in history poverty is unnecessary, and unacceptable. No child should be without adequate food, clothing, shelter, medical care and good education.

Automation is here like it or not. Machines with computers and AI are replacing humans now and this will happen to most jobs. We need to have the government put up solar panels nationwide to get free power daily. Have the electric companies buy this free power and put the huge profit into a fund and then give

every citizen an equal financial credit. This could provide at least. minimum income for all citizens including children. All would still be free to work. Automation is already happening now and jobs are going to machines.

Wise management and science can solve problems. Why not have abundance for all?

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to pre-serve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on in-nocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti-human rights, anti-equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

The following message from the grave stands out.

**DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,
as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

This book is not for sale. It is free to all. Note: This is a work in progress more needs to be recorded. All research is donated to our community without charge for the preservation of our history to future generations. The purpose is so that they can learn from it so they need not repeat the mistakes of the past and to preserve our Freedom.

Underwood Drive was named for Warren Councilman Orba Underwood according to Gerald Neil.

Underwood Floyd Warren Council 1969-1982, 1987-1990 One of the strongest voices of labor ever to be elected to the Warren City Council and the Macomb County Board of Commissioners, Orba Underwood made no secret of his connection to labor unions in the area during his tenure of these bodies. It was common for him to look at developments of projects and businesses as to how they might affect the welfare of the ordinary laborer or skilled tradesman. He was first elected to the Council in 1961 and retained this seat until 1969, then won election to the Commission in 1969 and remained until 1977. Mr. Underwood was born in Knoxville, Tenn., attended the University of Tennessee for one year before moving to Detroit. He and his wife settled in the area that was to become the City of Warren in 1939, and soon became involved in the auto industry and the labor movement. He was a key organizer in the UAW in Macomb County during the 1940's, later serving as president on UAW Local 235 at the Chevrolet Gear & Axle Plant in Hamtramck and as financial secretary and treasurer at the Warren Chevrolet Plant. He was a machinist by trade and after more than 21 years at General Motors retired in 1977. He was also a lifetime member of the Oddfellows of Warren and belonged to the Dads of VFW in Warren. Mr. Underwood was also a Mason for 40 years. Among other civic accomplishments, he was actively involved in getting the County Social Services building located in the Warren Civic Center as well as South Macomb Hospital at 12 Mile and Hoover (now St. John's of Macomb). Unknown on USS Franklin CV13 923 Killed in Action 1945

UNKNOWN SOLDIER We know by a detailed survey in 1948 that a soldier was buried there but since a flood destroyed the church records there are no records of this burial. We think he should at least be remembered. A memorial with his name on it and 29 other soldiers was stolen by two grave robbers in 2011 without just cause. They have stolen at least five to eight memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Even an epitaph was stolen off of a grave. Nothing was found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced.

How would you feel if your brother was and someone ripped out the only memorial that on it.

The gang now has ordained themselves cemetery gods and that allow them to rip out without public hearing any don't like. And they have ripped out **several** memorials which they did not own without just cause from Warren Union Cemetery which they do not own. They have stolen the only granite records of many of Warren area soldiers. A Warren man who put his life at risk deserves at the least to have his name on a granite memorial which may be his only historical legacy. Thousands of soldiers died and to have their only memorial ripped out by those to whom they died to give freedom to goes beyond insult and disrespect and boards on treason. We veterans condemn these actions.

Much of our history including the story of many of our Warren boy soldiers has been lost due to just not being written down. Why do I call them boys. Well just look at the ages that most of our soldiers were when they were killed. Many were in fact still in their teens.
